

REMARKS

Claims 42-60 remain pending in the application. Such claims stand rejected solely for obviousness-type double patenting relative to the claims of U.S. Patent 6,703,272. Submitted herewith is a Terminal Disclaimer which overcomes such obviousness-type double patenting rejection. As the obviousness-type double patenting rejection is the only rejection pending against claims 42-60, Applicant respectfully requests that the Examiner's next action be a Notice of Allowance formally allowing claims 42-60.

Respectfully submitted,

Dated: September 14, 2004
